

Insurance

We recommend that all riders take out personal accident and public liability insurance. There are a number of insurers who will provide this cover. Some places you can try are:-

British Show Jumping Association – currently offer insurance as part of their supporters club membership deal.

British Horse Society – currently offer insurance for those who take out the gold membership category.

Cancellations

We ask that you give us 48 hours notice for cancellations. This will allow us time to offer the slot to someone else.

Cancellations with less than 48 hours notice will be subject to the full booking charge (unless supported by a medical certificate).

You should notify Emma Chuck by telephone or email if you wish to make a cancellation. Remember to leave the riders full name and the time they were scheduled to have their lesson. Also let us know if you want to be booked in for a future date.
