Online Dressage Test Practice 2022 Series

We are offering a series of opportunities to have a go in the safety of your own environment. Tests will be marked by an experienced BD listed judge and the idea is to have a go at a test to see how you and your horse are getting on. Maybe you can try a test at the next level? Tests have been arranged so you can have a go at tests coming up in CVRC or Area 14 competitions.

Open to currently paid up members only (You can join via Equo Events) [here](#) is the link :-

To be performed in a 20 x 40 arena marked out on surface or field.

Dress for rider can be informal, but should conform to current safety standards, breeches, boot with heel, gloves of any colour, hat to current regulations. If you are in riding wear that could be worn in a competition, boots or bandages should be worn on the horse to clearly show the video has not been taken from a previous live competition.

Horse must be in tack currently approved by British Dressage, for example no martingales, exercise sheets or gags.

CVRC Initiative: 2 extra marks will be awarded in all classes for tests in which a correctly fitted plain Cavesson noseband is used. In light of recent scientific studies highlighting the welfare issues raised by the overtightening of nosebands, we have decided to encourage the use of correctly fitted plain Cavesson nosebands. Other dressage legal nosebands e.g. flash, drop etc, can of course still be used, but no extra marks will be given.
