## **ADRC Rules**

These competitions run in accordance with British Riding Club Rules. Correct riding dress must be worn appropriate to each class and at all times when mounted. A correctly fitting hat conforming to PAS015 and BSEN1384 and carrying the BSI kitemark must be worn at all times when mounted. If competing in jumping classes, hair must be securely fastened above shoulder length.

Non-members must hold their own insurance.

Horses and ponies must be fully vaccinated against equine flu to attend this event (12 months vaccination).

Rosettes awarded 1st -6th in all classes. Classes may be amalgamated if insufficient entries or split if large entries as appropriate.

It is the rider's responsibility to be at the ring for the start of the class or designated time where appropriate. Whilst all efforts are made to avoid clashes, classes will not be held, and competitors will not be allowed to enter the show ring once the class has started without the judge's permission. For dressage and show jumping classes, where you suspect a clash may occur, please speak to the ring stewards in good time who will make reasonable effort to facilitate your requests, the judge's decision is final.

Pre entries in advance via Equoevents.co.uk. Entries may close before the closing date if entries are deemed to be full or at the organiser's discretion. Dressage classes are pre entry only, show jumping and showing may be taken on the day if space permits

All ages are taken from 1st January 2024.

Members will accumulate points for winter series awards if placed 1<sup>st</sup> to 6<sup>th</sup>.

Colts and stallions must be shown in a bit.

Relevant classes are qualifiers for STARS Champion of Champions to be held at Aintree in November 2025. To qualify for STARS, you must be an ADRC member and must be the overall points champion across the season, subject to re affiliation for 2025.

In the event of cancellation, entry fees will be refunded minus the £1.50 booking fee. No refunds will be made to withdrawals after close of entries.

No horse or ponies to be left unattended unless correctly secured inside a horsebox or trailer. Please do not muck your horse boxes or trailers out on the field and take any litter home with you.

The judges and steward's decisions are final.

If riding between the warm-up arena and the show arena this must be done so in walk and in the designated horse walks.

Neither the committee nor anyone acting on their behalf accept any responsibility for any loss, damage or injury, howsoever caused.

Spectators are most welcome at all our events but are requested to keep clear of all horse and pony areas and access routes and avoid behaviour which may alarm horses. Dogs are allowed if kept on a lead at all times and can behave appropriately. Please clean up after your dog.

The organisers have the overall responsibility for Health and Safety at our events. With this in mind, each competition is organised in accordance with Health and Safety Legislation

Everything reasonably practicable is done to ensure the health, safety and welfare of those attending the events

For these measures to be effective, each individual must take all reasonable precautions to avoid and prevent accidents occurring and conduct themselves in such a way that they do not put themselves or anyone else at risk. They must therefore obey the instructions of the organisers, officials and stewards at all times

In the case of an emergency, members of the public should contact the nearest official or dial 999. Emergency Services must have access to all parts of the show ground at all times. Vehicles must not be parked so as to obstruct access

Only The Club, its members and helpers are covered by third party insurance whilst taking part in Atherstone and District Riding Club activities. We would advise all riders to become British Horse Society Gold Members as this will provide them with third party insurance for all horse related activities.
