Meirion Owen & His Sheepdogs

Meirion is the third generation involved with training and competing with his sheepdogs, his late father and grandfather were excellent sheepdog trainers and competitors.

Spending time with his dogs is his way of life from training, competitions and demonstrations.

He runs training classes for farmers and smallholders and called upon by corporate companies to provide teambuilding, communication skill days.

Started competing at the age of nine and has achieved considerable success over the years being a past Welsh National Champion, Captain Wales's team in International competitions and also been on three series of the BBC 'One Man & His Dog'

These days time away with demonstrations does not allow Meirion as much time on the competition field.

He appears regularly on TV & Radio and has appeared on the 'One Show', 'Countryfile, 'Songs of Praise' and a regular contributor on ITV ' Love your Weekend' with Alan Titchmarsh.

Has taken a very active role within the Sheepdog Societies and have held numerous positions over the years, within his own county Carmarthenshire, South Wales Association and a past National President of Wales of the International Sheepdog Society:

Has had the opportunity to travel extensively abroad to judge and hold training classes.

Within his display Meirion will inform the process from having a pup to the skills and tips needed to train your sheepdog, the dogs used by Meirion are Border Collies by the names of Helen, Cassie, Jess, Megan & Jammie and they will be guided around the ducks or sheep using a series of voice and whistle commands.

During the display Meirion will invite a member of the audience in to the ring to have the opportunity of working one of his dogs.

Please note Health & Safety Policy Statement

2025 Equine Influenza Regulations
Following advice from animal health professionals and the prevalence of the Equine Flu in the summer of 2019, the Society Officials have made the decision to allow only horses vaccinated against Equine Flu to attend the 2025 Vale Show. The Society expects all equine entries to have an up-to-date equine influenza vaccination record. They must have received two primary vaccinations which are given not less than 21 days and not more than 92 days apart. If sufficient time has elapsed the equine entry must also have received a booster vaccination which is given not less than 150 days and not more than 215 days after the second component of the primary vaccination, and further booster vaccinations at intervals of not more than a year apart. None of the vaccinations must have been given on the day of entry to the showground or on any of the six days before entry to the showground.

Note: Minimum requirements are the two primary vaccinations, plus seven days before entry to the showground. Foals six months of age or older must meet the minimum equine influenza vaccination requirement.

PLEASE NOTE THAT NEITHER VACCINATION CERTIFICATES NOR PASSPORTS SHOULD BE SENT TO THE SHOW OFFICE PRIOR TO THE EVENT. HOWEVER, RANDOM CHECKS WILL BE CARRIED OUT ON THE SHOWGROUND DURING THE SHOW

Competitors must wear a skull cap or hat and safety harness according to the current approved BSI or European Standard at all times. Skull caps must have a navy blue or black cover.
